FRANCHISE PRESENTATION PROFIT SHARING MODEL

DRIVING FORCE

Mr. Raj Mehta
Managing Director

Mr Amrut Mehta
CEO

GUIDELINES FOR FRANCHISE

- ❑ 'Little Italy' is a registered trademark and will also be solely used as the restaurant name.
- ❑ The restaurant will only serve quality Vegetarian Italian and Mexican food with a fully licensed bar along with home delivery and optional catering service.
- ❑ Little Italy can support you in the market research and in searching for the appropriate location for the restaurant. You can also nominate a specific site. However, the right to the final approval stays with Little Italy.
- ❑ The restaurant should have provision to seat at least **70** people at any given time. The minimum kitchen area required is **800 Sq.Feet**. There should be a supplemental area for storage and staff room
- ❑ The minimum restaurant area (carpet) required is **2000 – 2500 Sq.Feet** in a prime location with adequate parking space (Valet parking required)
- ❑ The location should not become a hassle to obtain a bar license. Minimum water capacity is **10,000 Liters** and electricity should be minimum **85 KVA**.

NEED TO KNOW

- ❑ The **interior designs** of the restaurant need to compliment the style and standard of our existing Restaurants. Little Italy will conduct routine checks on this.
- ❑ **Kitchen equipment** must be provided as per the standard 'Little Italy' requirements. You can either arrange for this or import from Italy which will be supplied to you by Little Italy at cost price.
- ❑ Little Italy imports branded **food items** from Italy and supplies to the Restaurants. Food items bought from the local market will be supervised and should be approved by Little Italy.
- ❑ Little Italy will design the **menu** for you in accordance with the market requirements. Our experienced chefs and management team will conduct routine visits to check the standard of the food served, the hygiene maintained and public relation's at its own cost.
- ❑ Little Italy will provide the **Billing software and the POS** to the Restaurants for the purpose of your day to day billings, accounts, costing, inventory management etc.
